

NOVEMBER 2019

THANK YOU FOR READING!

Greetings parents! Thank you for being a part of Shire Kids and for registering for Dolly Parton's Imagination Library!

For those of you who signed up when we first launched the program in July, you should have received a book or two already. For those still waiting for your first book to arrive, thank you for your patience! If it has been over 8 weeks since you enrolled, please email me to make sure we have received your registration and address correctly.

Recent studies suggest participation in the Imagination Library is positively and significantly associated with higher measures of early language and math development. The Blue Ribbon Book Selection Committee takes great care in choosing books that meet the different needs of children as they progress from birth to age five. Keep up the good reading routines!

We love seeing happy faces of children receiving their books or reading them. Email or text me a picture or feedback about the program to nicole@shirekidsvt.org or 603.759.9415.

Thank you
